

## Equivalences catalog

### Reminder of the procedure rules:

PhD students must follow a 100H minimum of training or equivalent during the thesis for a 150H maximum.

This hourly volume and the balance between crosscutting training and disciplinary training will be modulated according to the thesis specificities (Joint thesis, CIFRE...)

The maximum hourly rate indicated is valid for the entire duration of the thesis, except for the *CERTIFYING TRAINING* and *THEMATIC SCHOOL*.
